Letter.

To

The Conservator of Forests,
Belgaum Circle, Belgaum.

No.C/ 1181 of 1957-58. Bagalkot, 28-2-1958.

Subject:- Request to withdraw the area of 300 acres granted for sheep grazing in S.Nos. 63 of Hiremagi and 353 of Sulebhavi to the Sheep Breeders' Co-operative Society, Amingad.

Reference:- Your No.20/15/14388 dated 4th ~~Faknaxxx~~ January, 1958.

The Chairman, Sheep Breeders' Co-operative Society, Amingad in his letter dated 2-1-1955 requested for grant of forest land for grazing. This was enquired into and a detailed report was submitted under this office No.C/174 of 6/7-5-1955 recommending grant of 300 acres from F.S.No. 63 of Hiremagi and 353 of Sulebhavi as per the sketch accompanying the report. The concurrence of the Collector, Bijapur was also obtained - kindly vide Collector, Bijapur's No.FOR/Grazing dated 13-10-1955. The Government of Bombay in A.& F.D. in their letter No.0/59145-E dated 21-7-1956 sanctioned the grant of an area of 300 acres from Block XXV (F.S.Nos. 63 of Hiremagi and 353 of Sulebhavi) to the Sheep Breeders' Co-operative Society for grazing of sheep for a period of 3 years to start with, on the following conditions:

(1) The area should be allowed only for grazing by the sheep belonging to the Society; no other animals being allowed for grazing in this area.

(2) The Society should follow simple rotational grazing as advised by the Forest Department.

(3) The Society should improve the areas at their cost by gradually restocking the areas with variety of grasses and

(4) The Society should pay rent at Rs.0-8-0 per acre per annum.

2. The Chairman, Wool Industrial Co-operative Society, Amingad has executed the agreement in this connection on 8-5-1957 and has paid Rs.150/- towards the rent of the forest land i.e. Rs.0-8-0 per acre per annum. The Chairman has also been advised to follow the rotational grazing system and to plant the closed area with good varieties of grasses etc.

3. A sketch showing the area granted to the Society and the gaothana of Hiremagi and Sulebhavi villages is enclosed in triplicate. From the sketch, it will be seen that the area granted to the Society falls in coupe Nos. 5,9,10 & 14 of Block XXV. Except coupe No.5, all the remaining three coupes are open for grazing. Coupe No.5 which measures 92 acres is closed from 54-55 to 58-59. The grazing position of the two villages viz. Hiremagi and

Sulebhavi is given herebelow:-

S. No.	Village.	Total forest area.	Area closed for grazing.	Area available for grazing.	Area allotted to the Society.	Net area available for grazing of village cattle.	No.of animals. Cattle	Sheep	Goat	Area required for grazing of village cattle as per G.R.R.D. No.GRS.1053/5627 of 20th May 1954.
1	2	3	4	5	6	7	8	9	10	11
		A.G.	A.G.	A.G.	A.G.	A.G.				A.G.
1.	Hiremagi	1281-29	112-9* *(coupe No.XXV-6)	1169-20	157-0 (F.S.No.63)	1012-20	559	57	229	279-20
2.	Sulebhavi	1142- 6	92-0* *(coupe No.XXV-5)	1050- 6	143- 0 (F.S.No.353)	907- 6	2434	452	772	1217- 0

From the above, it will be seen that the grazing position of Hiremagi village will not be affected by the grant of 157 acres from F.S.No.63 of Hiremagi to the Society. The grazing position of Sulebhavi village is not however sound. As the villagers of both these villages i.e. Hiremagi and Sulebhavi have stated in their statements dated 12-4-1955 (enclosed for reference) and as Government have issued orders after due consideration granting the area only for 3 years to start with, I personally feel that the area granted to the Society may remain with it particularly when the Society has executed the lease and have paid the amount of Rs.150.00 as rent. More-over, the representation is from the villagers of Hiremagi the grazing position of which village will not be affected by the grant of 157 acres out of F.S.No.63 of Hiremagi as could be seen from the details furnished above.

4. The application dated 27-11-1957 received with your above reference is resubmitted.

(M.J.Mascarenhas)
Sub-Divisional Forest Officer,
Bagalkot.

Enclosures:-
1) Application dated 27-11-1957,
2) 2 statements of villagers of Hiremagi & Sulebhavi dated 12-4-1955.

Subject:- Request to withdraw the area of 300 acres granted for sheep grazing in S.Nos. 63 of Hiremagi and 353 of Sulebhavi to the Sheep Breeders' Co-operative Society, Amingad.

Reference:- Your No.20/15/3426 dated 17-3-58.

In continuation of this office No.C/1181 dated 28-2-1958, I have to state as under:-

2. When the H.L. lease executed by the Chairman, Wool Industrial Co-operative Society, Amingad was received in this office, it was noticed that wrong area had been handed over to the Society. This fact was brought to the notice of the Range Forest Officer, Badami and he was instructed to hand over correct area as granted by the Government. He was also instructed to divide the plot of 300 acres into 5 equal parts and ask the Society to follow simple rotational grazing and to plant the closed area with good variety of grass seeds such as Rhodes, Thin Napier, Blue panic etc. The Range Forest Officer, Badami however requested this office to depute the Divisional Surveyor to lay out the plot as the boundary lines of the plot are zigzag etc. Accordingly, the Divisional Surveyor laid out the plot of 300 acres as granted by Government and the Chairman in his statement dated 23-1-1958 has stated that he has taken over charge of the correct area as sanctioned by Govt. His above statement is enclosed.

3. The Chairman is not prepared to sign the sketch on which 5 equal parts of the whole area has been shown. He has submitted his statement dated 10-4-1958 in which he states that it is not possible for his Society to follow rotational grazing and to plant the closed area with grass seeds etc. and that the Society has decided to give back the area to Government as the area is not useful to the Society. He has further stated that he is not prepared to pay future annual assessment and as such, Government may take back the area in question. His above referred statement dated 10-4-58 is also enclosed. Incidentally, I may point out here that as per condition Nos. 2 & 3 imposed by Govt. in their letter, A.& F.D.No.C/59145-E dated 21-7-1956, the Society is required to follow simple rotational grazing system as advised by the Forest Department and to improve the areas at their cost by gradually restocking the areas with variety of grasses.

4. The Chairman has executed the lease on 8-5-1957 and the Society has paid an annual assessment of Rs.150.00 only. As the Chairman has stated that he is not willing to pay future annual assessment of Rs.150.00 and that the area may be resumed to Govt., early orders to cancel the lease and to resume the area to Govt. are solicited. As the lease has been executed on 8-5-57 and annual assessment for only one year has been paid, the

lease requires to be terminated from 8-5-1958 and the area resumed to Govt. on 8-5-1958.

5. The pertinent H.L. lease is submitted.
